Then the Tournament Director will cull the same amount of fish you are over with a maximum of 5 fish starting with the biggest fish. If you have retained more than double the event fish limit, this will result in disqualification.

12. **Dead Fish Penalty.** A 0.50 lb penalty per dead fish. A dead fish may be a Big Fish (if a Big Fish is dead, the penalty already applied for a dead fish would be deducted directly from the Big Fish and if it remains Big Fish it will stand as Big Fish). 13. **Cell Phones** are for emergencies and communicating with the CSFL/CPBT only.
14. **Flotation Device.** You must wear an approved flotation device while the outboard is running. Manual Suspenders/vests or manual inflatable life jackets will not be acceptable. PRO must provide an AM/Non Boater with DTC approved life jacket.

Tagging systems are not acceptable and if fish are combined accidentally or otherwise both weights will not be accepted. No fishing allowed while the rescued competitor is in the boat and you must proceed directly to the check-in point where fish will be transferred to the check-in boat for weigh-in show Once your fish have been transferred, the downed boat must be brought back directly to the tournament site for inspection.

- If, after inspection the boat is found tampered with then disqualification may result and the rescuing team questioned. If in payout position, prizes will be held until boats are inspected. Your team is responsible for making sure the rescued angler(s) is wearing a DTC approved life jacket, failure to do so will result in disqualification. Make all efforts in using the CSFL/CPBT emergency number (416-802-2277) in keeping the officials informed.
26. **Assistance.** If a broken down team requires a tow by one of the event officials, the competitors must release their fish. The CSFL/CPBT acting as the Tournament Official must keep it fair and equal to all competing anglers and therefore cannot act in individual cases as it may conflict and could possibly alter the final results.
